

Three Faculty Positions at [Tufts University](#) in **Water, Health, Security, and Sustainability**

ENVIRONMENTAL AND WATER RESOURCES ENGINEERING

[The Department of Civil and Environmental Engineering](#) at [Tufts University](#) seeks candidates for a tenure-track faculty position in the area of Environmental and Water Resources Engineering. We seek applicants with expertise in the area of water resources engineering, who have interest and experience in applying statistical and complex systems engineering approaches to challenges arising in one or more of the following areas; flood and drought management, climate change, water diplomacy, water-energy-climate nexus, and water resources decision making.

Questions about the position should be addressed to Professor Shafiqul Islam, search committee chair; Shafiqul.Islam@tufts.edu. Candidates should submit their application, including a cover letter, curriculum vitae, statement of research and teaching interests, objectives, and contact information for three references through Interfolio at <https://apply.interfolio.com/30918>.

FOOD SYSTEMS, SUSTAINABILITY, AND CLIMATE CHANGE

[The Friedman School of Nutrition Science and Policy](#) at Tufts University seeks internationally recognized leaders as candidates for a tenure-track or tenured faculty position at the level of Associate or Full Professor in food systems, sustainability, and climate change. Candidates must possess a doctoral degree in a relevant field (biological or agricultural sciences, economics, nutrition, public health, epidemiology, or a related field), and demonstrated interest in food systems, sustainability, and resilience in the face of climate change.

Questions about the position should be directed to the Search Committee Chair, Professor Timothy Griffin (Timothy.Griffin@tufts.edu).

More information about this position is available here: http://tufts.taleo.net/careersection/tufts_fac_ext_cs/jobdetail.ftl?job=15001720.

BRIDGE PROFESSORSHIP: WATER, HEALTH, AND SECURITY

[The Friedman School of Nutrition Science and Policy](#) and [The Fletcher School of Law and Diplomacy](#) at Tufts University seek internationally recognized leaders as candidates for a tenured faculty position at the level of Associate or Full Professor in Water, Health, and Security. The rank will be determined by experience and accomplishments, and the successful candidate for Bridge Professor will hold a joint appointment in both schools. Candidates must possess a doctoral degree in a relevant field (biological sciences, environmental sciences, agricultural sciences, economics, nutrition, public health, epidemiology, public policy, political science, law, or a related field), and demonstrate outstanding scholarship in addressing linkages between water, health, and security.

Questions about the position should be directed to the Search Committee Co-Chairs, Professor Kelly Sims Gallagher at Fletcher (Kelly.Gallagher@tufts.edu) and/or Professor Timothy Griffin at Friedman (Timothy.Griffin@tufts.edu). More information about this position is available here: http://tufts.taleo.net/careersection/tufts_fac_ext_cs/jobdetail.ftl?job=15001724.
